WI LAR STATUS 07.28.2016.pdf

Robin and Cheryl-

Please find attached a copy of the chart that will be released by COB Thursday via our website at: <https://www.epa.gov/wi/npdes-petition-program-withdrawal-wisconsin> . We were able to make some of the changes you requested earlier this week.

Please forward to others at WDNR that would like a copy. While we intend to provide an advance copy to Senator Baldwin as well, we would appreciate you not further releasing the document until it goes live on our website.

Feel free to contact me if you have any questions. I look forward to working with you as we continue to update the status posted on our website as our reviews of the packages progress.
